Where do the Candidates Stand on Abortion?

For President

Donald Trump

Joe Biden

Abortion on Demand

The 1973 *Roe v. Wade* and *Doe v. Bolton* U.S. Supreme Court decisions legalized abortion on demand throughout the United States, resulting in more than 61 million abortions.

President Trump has proven his pro-life commitment.

As president he has appointed pro-life advocates in his cabinet and administration, restored the “Mexico City Policy,” and he has pledged “to veto any legislation that weakens current pro-life federal policies and laws, or that encourages the destruction of innocent human life.”

Joe Biden supports the current policy of abortion on demand.

Joe Biden voted for the Harkin Amendment to endorse *Roe v. Wade*, which allows abortion for any reason. Joe Biden supports the Democratic platform of unlimited abortion even through birth.

The Pain-Capable Unborn Child Protection Act

The Pain-Capable Unborn Child Protection Act would prohibit abortions after the unborn child is capable of feeling pain from abortion.

In his 2019 State of the Union speech, President Donald Trump called on Congress to “pass legislation to prohibit the late-term abortion of children who can feel pain in the mother’s womb.”

When asked about prohibiting abortions after 20 weeks when the unborn child can feel pain, Joe Biden said, “I’m not going to interfere with that,” which would allow abortion through birth.

Taxpayer Funding of Abortion

President Trump opposes using tax dollars to pay for abortion. His administration issued regulations to ensure Title X funding does not go to facilities that perform or refer for abortions. He also cut off funding for the UNFPA due to their involvement in China’s forced abortion program.

Joe Biden supports using tax dollars to pay for abortion. Joe Biden says he supports elimination of the Hyde Amendment. Joe Biden voted for taxpayer funding of overseas pro-abortion organizations.

Nominations to the U.S. Supreme Court

The fundamental documents of American democracy and freedom, the Constitution and the Declaration of Independence, have given us essential principles to be respected by the courts such as the “unalienable” right to life.

The next president may have the opportunity to appoint one to three justices to the U.S. Supreme Court.

Donald Trump has appointed Neil Gorsuch and Brett Kavanaugh to the U.S. Supreme Court. These appointments are consistent with the belief that federal courts should enforce rights truly based on the text and history of the Constitution.

Joe Biden pledges that his judicial nominees would “support the right of privacy, on which the entire notion of a woman’s right to choose is based.”

Where do the Candidates Stand on Abortion?

For Vice President

Mike Pence

Kamala Harris

Abortion on Demand

There have been 61 million abortions since the 1973 *Roe v. Wade* Supreme Court decision legalized abortion on demand.

Mike Pence is pro-life. He opposes abortion on demand, and he supports protection for unborn children.

Mike Pence signed several pieces of pro-life legislation as Governor of Indiana.

Kamala Harris supports a policy of abortion on demand, which allows abortion for any reason.

Kamala Harris is a co-sponsor of S.1645, a bill that, if enacted, would invalidate nearly all state and federal limitations on abortion.

Pain-Capable Unborn Child Protection Act

The *Pain-Capable Unborn Child Protection Act* would protect unborn children by prohibiting abortion at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

Mike Pence voted for legislation that would protect unborn children from abortion after 20 weeks when the unborn child can feel pain.

Kamala Harris voted against legislation that would protect unborn children from abortion after 20 weeks when the unborn child can feel pain.

Born-Alive Abortion Survivors Protection Act

The *Born-Alive Abortion Survivors Protection Act* would require that a baby born alive during an abortion be afforded the same degree of care that would apply to any other baby delivered at the same gestational age.

Mike Pence supports the *Born-Alive Abortion Survivors Protection Act*.

Kamala Harris voted against the *Born-Alive Abortion Survivors Protection Act*.

Taxpayer Funding of Abortion

Prohibiting taxpayer funding of abortion saves lives.

Mike Pence opposes the use of our tax dollars for abortion. He also opposes taxpayer funding of abortion providers.

Kamala Harris voted to allow the use of our tax dollars for abortion. She also voted for taxpayer funding of abortion providers.

Judicial Nominations to the US Supreme Court

The fundamental documents of American democracy and freedom, the Constitution and the Declaration of Independence, have given us essential principles to be respected by the courts such as the "unalienable" right to life.

The next president may have the opportunity to appoint one to three justices to the U.S. Supreme Court.

Mike Pence supports confirmation to the U.S. Supreme Court of well-qualified persons such as Neil Gorsuch and Brett Kavanaugh, who voted this year to uphold Louisiana's pro-life law.

Kamala Harris voted against confirmation of Justices Neil Gorsuch and Brett Kavanaugh to the U.S. Supreme Court.
